Talk by @billroberts of @swirrl about linked data #opendatagla twitter.com/stevenlivz/stat...
When publishing open data, consider needs of different users. Obvious but very important! #opendatagla

Great consumer vs. intermediary graph by Bill Roberts of @swirrl @swirrat #OpenDataGLA

twitter.com/dncnbn/status/3...

Got a bit of a typology of data users going on here with sparql programmers at the bottom :) #opendatagla

The power of CSV - @mhawksey would love this #OpenDataGLA
@sheilmcn someone mentioned that if you host CSV/TSV on GitHub they now automatically render nicely? #opendatagla github.com/blog/1601-see-...

"Not everyone in the world should be an RDF expert" True dat! #opendatagla

Re previous tweet, correct terminology appears to be "hard core sparql junkies" #opendatagla

“Hard core sparql junkie" competing with “data ninja” as favourite phrase/data taxonomy at #OpenDataGLA

I appear to have just offered to be an #opendatagla ambassador following an earlier comment from @ewanhklein - He did ask ;-) 

@5l @Joysci @McDawg @ewanhklein V good talks (and good beer) so hopefully will be #opendatagla 2

@williamjnixon @5l @Joysci @ewanhklein Given the "n" that showed up tonight, defo. must do more #opendatagla,s McYes....

Industry needs simplification in the innovation landscape, hence SFC innovation centre initiative #opendatagla
"Academics talk to industry because they want money for research" Hmm what about investment in teaching? #opendatagla

That last presentation by @neil_logan #opendatagla

Me to @ewanhklein before kick off, "How long will tonight last?" Response, "As long as it takes". I like that a lot. #opendatagla

Final talk on UKGov Open Standards by Peter Winstanley gov.uk/government/pub... #opendatagla #okfn

Peter Winstanley pointing out the fact you have to pay to access BSI standards, you get one copy that can not be shared #opendatagla

really robust justification for open standards from Peter Winstanley, including importance of persistent resolvable identifiers #opendatagla

Big H/T to @LornaMCampbell the top tweeter at #opendatagla!!
Great talks, beer and #OpenDataGLA evening thanks to @ewanhklein and the speakers. Definitely worth running again.

@LornaMCampbell looks like it was a great event #opendatagla

Impressive debut for @okfnscot #OpenDataGLA Thanks to @ewanhklein & other organisers! Good chats with @McDawg and @Moniker42 amongst others

Great talks at #openDataGLA tonight. Felt like the start of a community who could really help change things.

Huge amount of energy and enthusiasm at #OpenDataGLA, and a great set of talks. Thanks to @SICSA_Scotland for sponsoring refreshments! @OKFN

Excellent inaugural #OpenDataGLA meetup. Well done to @ewanhklein and @global_glynn on pulling it together!
